

## 2021 TCS Lodging Policy

---

TC Nationals is a **Stay to Play Event**. To be bracketed in this Triple Crown event your team must fit into one of the following two categories (**by May 6, 2021**):

1. Book rooms via the Event Connect online platform with an approved TCS lodging partner inside the TC Nationals group block (minimum team requirement is 30 room nights per team).
2. Local Teams from the area (within 100 miles) must contact Tournament Director to receive a WAIVER.

\*We do not offer a lodging surcharge for TC Nationals.

---

All out-of-town teams are required to book their rooms with TCS approved lodging partners. Triple Crown Sports (TCS) works with a wide variety of lodging partners in our tournament locations to secure excellent lodging rates for all participants and to ensure sufficient rooms for all attending teams.

New this year, you will be viewing our lodging partners and conveniently booking your rooms via our Event Connect online platform. This awesome software will automate and simplify booking and reporting your rooms. You have real time access 24 hours a day, 7 days a week. It's easy to block, share and book. Upon registering the head coach will receive an email with your custom booking link for your families to easily view and book the event discounted hotel rates as well as track them for reporting purposes. If you have any questions along the way or if you need your link again, please contact our lodging manager, [kriss@triplecrownsports.com](mailto:kriss@triplecrownsports.com)

Once you have booked your rooms using your team booking link, you do NOT need to report your rooms on the Triple Crown website. We will keep track of where teams are staying through your specific booking link.

\*\*\*Any reservations booked through a third party provider (i.e. directly with the hotel, Hotels.com, Expedia, Hotwire, Hotel Planners) or using reward points or booked outside of the TCS room block will not fulfill your requirement and require the lodging surcharge to be paid or your team will NOT be scheduled into the event. \*\*\*
